Rostov state medical university (RSMU) is one of the most dynamic and excellent universities in Europe and CSI nations. Rostov medical university is one of the most preferred universities to study MBBS in Russia. It was founded in 1915. The Division of Medicine at the Russian Warsaw University was moved to Rostov on Don medical university and that gave rise to the present day Rostov State Medical University. Rostov State Medical Institute is also known as RostSMU, RostGMU, РостГМУ, Rostov State Government Medical University. It was initially formed as a department and later transformed into a medical Institute in 1930.

Rostov State Medical University Russia proves to be one of the oldest Higher Medical educational establishments in Russia. The history of its foundation is significantly different from the history of other medical institutions in Russia. In 1915 the Russian Warsaw University was evacuated from Warsaw to Rostov-on-Don where the University had become the Donskoy University.

MBBS IN RUSSIA + MD / MS IN USA

## MCI ELIGIBILITY RULE

As per Medical Council of India (MCI), if you complete your MD / MS from USA, you are not required to appear for any exit exam such as FMGE / MCI Screening Test. The degree of MD or MS acquired from USA is directly valid in India and you can be licensed to practice as MD in India. Most of the students are afraid of MCI Test after coming back due to low passing rates. However, the students must remember that this rule is applicable only if they complete MD / MS in USA. In case they return back after MBBS, the students would have to appear for MCI Screening Test to get the license in India. Generally, the students passing from Russia / Ukraine / China start preparing for USMLE Step 1 exam to compete for PG seat in USA. A score of 230 in Step 1 exam ensures your seat there!

## BENEFITS OF USA

There are many benefits of completing MD / MS in USA. You should have completed MBBS in a ECFMG approved university listed on WDOMS (World Directory of Medical Schools).

- No need of MCI Screening Test on return to India.
- Earn USD 4,200 / month (Rs. 2.75 Lacs) during residency
- The MD / MS degree would be valid in India
- On clearing USMLE Step 3, you get a license to practice in USA as well.
- Average score of 230+ in Step 1 ensures a PG seat. In India, only top 5% of the student can reach MD / MS stage in government colleges.

### MCI ELIGIBILITY ISSUES

It was announced by the Health Ministry of India in December 2017 that only NEET Qualified students would be allowed to pursue MBBS Abroad. It means that you would have to qualify NEET in order to get the Eligibility Certificate. In case you are NOT qualified (within top 50% of the students), the only option you have is to settle down abroad.

Since countries such as Russia / Ukraine / China does not offer much attractive options for Medical PG, MOKSH places all its students to Germany. The students generally settle down in Germany after completion of the Medical PG program.

### GERMAN BENEFITS

Germany is the strongest economy of Europe and is able to allocate huge funds to the healthcare sector for their non growing population. The quality of life is one of the best among European countries. They have allocated 10% reserved PG seats for international medical graduates. Germany recognizes MCI approved degrees and licenses making it easier for the Indian doctors to have a transition from India to Germany.

Further, learning German language is far more easier for Indians who studied in English since the alphabets are same. MOKSH conducts on-line A1, A2 and B1 level German language coaching classes so that you can be ready for German program.

"Everything is changing in 2018! All the students taking admission for MBBS courses in India or abroad would have to qualify for a common EXIT TEST on completion of the MBBS program from MCI Approved University/ College. Also, qualification in NEET-UG test is mandatory for the students for India and Abroad. This new rule makes it **mandatory for students to qualify in NEET for admission after May, 2018 for MBBS Abroad**. Avail of MOKSH provided NEET Crash course along with MBBS admission letter & get a Money back Guarantee of qualification in NEET 2018. This would ensure your application in India as well as for MBBS abroad."
